F A Q s

Circuit Factory is Dubai's Most Powerful Weight Loss system. While fitness companies give workouts, Circuit Factory combines every component of weight-loss in a complete health system, that has helped tens of thousands of people to transform their bodies.

Now it's the kids' turn.

What is Circuit Factory and what can I expect from this school trip?

Circuit factory is the Middle East's Number 1 weight loss program. We specialize in circuit training, educating the adults of Dubai on how to live healthier and more active life styles. Previously we have run educational talks in schools across Dubai and have recently opened our doors at Skydive to educate the youngsters of the Middle East.

During your visit to Circuit Factory Skydive, children will take part in a tailor made program designed by a qualified primary teacher.

This will include:

- Fun and educational health presentation.
- Various team games.
- Taking part in a circuit style workout.
- The opportunity to design their own circuit workout.
- Taking part in a health and fitness quiz.

For bookings and questions

✉ susan@circuitfactory.ae

📞 +971 50 144 3129

Depending on what educational topic you are covering at the time, we can plan the trip to meet the educational needs of your particular year group.

Who will run the school trip?

The fun-filled day will be run by a qualified primary teacher and supported by Circuit Factory staff who all hold sports qualifications. All Circuit Factory staff hold up to date Police Clearance to work with children. We work at 1 adult per 10 child ratio.

How much does it cost?

The cost of the trip is AED65 per child.

What is the timing of the trip?

The trip starts at 10am and finishes 12:30.

Is there a place for my school group to eat lunch or snack?

Absolutely. Children can bring their own food and enjoy lunch inside.

Do you have discounted rates for teacher training?

Yes, teachers have the reduced rate of AED55 per class and unlimited classes for AED595 with a valid teacher ID.
